

elephoning on Mother' s Day

The Taichung Detention Center of the Agency of Corrections, Ministry of Justice, held an open house event for the inmates through telephoning with their families on 04-28-2026, which was shortly before Mother' s Day. This is an occasion for the inmates to express their love and concern for their family members who live far away or who are unable to visit them at the center. This event is expected to help the inmates to keep their kinship intact and win the support from their families, which in turn will help the inmates to rectify their wrongdoings and return to a normal life in the society. There were 23 juvenile delinquents and 238 inmates participating in this event, which was successfully concluded at 11:40 on the day of the event.
